

CONFIRMATION

This is to certify that

Alfred Pracht Lichttechnik GmbH

Am Seerain 3
35232 Dautephetal – Buchenau / Lahn
Germany

has implemented and maintains a **system for the identification and evaluation of health dangers under special consideration of shatter protection, cleaning and maintenance as well as the chemical and mechanical resistance.**

Scope:

Manufacture of luminaires with high ingress protection for use in the food and beverage industry.

An audit, documented in a report, has verified that this HACCP system fulfills the requirements of the following regulation:

DIN 10500

of May 2009

The luminaires intended for the food and beverage industry are generally suitable for use by IFS Vers. 7 and/or BRC Global Standard Food Vers. 8 certified companies of the food and beverages industry.

Registration No. 381208 HCE
Frankfurt am Main 2021-07-02
